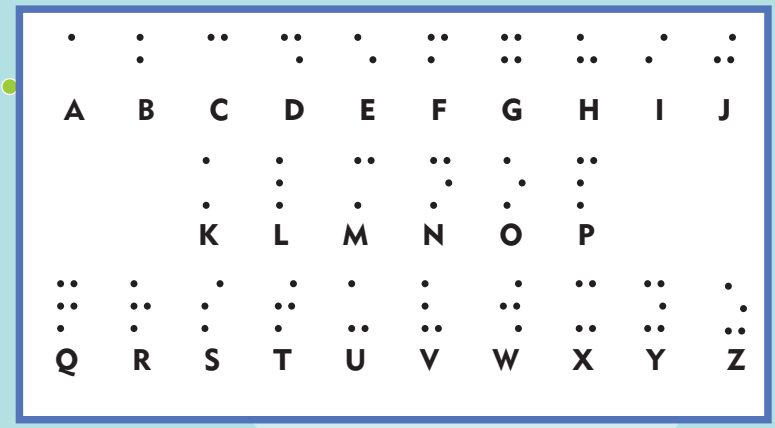
Faith & Family

Family Creations



Work together to make a fun poster that will remind your family of Jesus' love. Provide poster board, glue, and candy dots. Use the Braille alphabet and write a message in Braille on the poster, such as "Jesus loves you." Then decorate the poster. Thank God for things you see.

Game Time!

The sense of sight is a gift from God. As a family, play a game of "I Spy." The first clue giver should pick an object everyone can see, but only tell the color of the object. Other players then start guessing objects that color until someone figures out what the object is. The person who guesses correctly can give the next clue. At the end of the game, thank Jesus for His power to help those who do not have sight.

Look in The Book

Read together this week's Bible story from John 9:1-11, 24, 25, 35-38.
Remember, **Jesus has the power to heal.**
