Family Dinner Night

Plan one meal where each person in the family helps with part of the meal or by setting the table. Before eating, talk about Jesus' love for your family. Remember to pray and thank Him for His love.

Who Does Jesus Love?

Gather your family in a circle. Have them pass a beanbag or soft ball until you say "stop." Ask, "Does Jesus love you?" That person should respond, "Yes, Jesus loves me!" Make sure everyone gets a couple of turns. Even your young child can nod his head or say yes!
