

# 14TH SUNDAY LESSON

## EXPLANATION

Spring quarter has an extra Sunday in the calendar. 21st Century Christian has provided an extra lesson for both Immerse and LifeLINKS curriculum lines to be taught on May 31, 2020. This extra lesson is found on the insert in each of the Teacher Manuals.

All of the downloadables and reproducibles, along with other activity options, are included in a compressed file or ZIP file for each age level. Feel free to print and reproduce these pages for your ministry. Below is a list of all age levels of the Immerse and LifeLINKS curriculum lines and which ZIP file you will need to download for each age level.
