Together

God gives us fruit. Can you point to the apples? God made sweet, juicy apples to eat. Thank You, God, for giving us fruit.

Bible Words

"God gives us food"
(based on Psalm 136:25).

Give your child an apple to hold. Say the Bible Words while pointing to the apple. Then enjoy some apple slices with your child.

The Fruit Rhyme

(Give your child a banana to hold.)

Bananas, bananas,
I love to eat bananas.
I put them in my cereal.
I put them on my plate.
God made my bananas.
God, You're very great!

Fruit Salad Fun

As you make dinner, let your child help make a fruit salad. Show your child how to peel a banana and then slice it with a plastic knife. Help him add it to the bowl of fruit. As you say your prayer before dinner, be sure to thank God for the good fruit salad.
