

FAITH & FAMILY

FAMILY OUTING

Plan to visit the place where your church family meets. If possible, arrange to talk to someone who knows about the history of your congregation. When and where did the people first start to meet together? Who were some of the leaders? How has the congregation changed over the years? Talk about how the congregation shares with and serves others—both inside and outside of the congregation. As a family, thank God that you can be part of the church.

CARE & SHARE

People from all over the world were in Jerusalem for Pentecost when the Holy Spirit came on Jesus' followers and Peter stood up to preach. People all over the world still need to hear about Jesus. Find out about a missionary your church family supports. As a family, write and send an encouragement e-mail to the missionary. Pray every day for that missionary. Have a yard sale and send the proceeds to the missionary. Become involved in helping others know about Jesus.
