

## FAMILY CONNECTION

**CONNECTION:** God tells us who we are.

### TEXT THIS BEFORE THE LESSON

Three words that describe you. And go!

How would other people describe you?

Come find out what God says about you.

Look up what *identity* means.

### TEXT THIS AFTER THE LESSON

Know that you are beloved and chosen by God!

How can you remember what God says about you this week?

Three words that God says you are. And go!

YOU are seen, known, and loved by God!

### SOCIAL MEDIA

Look in the social media folder for images and the Remember verse you can send or post to your students.

### VIDEO CHALLENGE

Want to give your students something useful to do with their phones? Challenge them to interview friends and find out their answers to this question: How is what God says about you different from what you might say? Let some of them show their videos at the beginning of the lesson or encourage them to post the video on your group's social media connection page with the hashtag #TrueIdentity.
