CARE & SHARE

Purchase a Bible your family can give to someone who does not have a Bible or to someone who cannot get to worship services regularly. Have family members write favorite Bible verses on slips of paper. Hide the papers throughout the Bible. Deliver the Bible and explain that the person will find hidden treasures inside its pages. Pray that the person receiving the Bible will know how important it is to read and obey God's Word.

TOGETHER TIME!

Choose a room in your house that needs some cleaning. Hide a Bible somewhere in the room. Gather cleaning supplies—dustcloths, a broom or vacuum, or whatever is appropriate. Ask everyone in your family to work together to clean the room. Tell them something very important has been lost and must be found. When the Bible is discovered, sit down together and read 2 Kings 22:1-8, 23:1-3. Talk about why it was so important that the Book of the Law was found and why it is important to read God's Word today.
