

FAITH & FAMILY

FAMILY OUTING

Go for a family drive. Drive to places where family members go regularly—a workplace, school, park, childcare facility, store, or church building. Let the kids guess the location you are driving to next. Once the site has been guessed, discuss why it might be important to know and obey God’s Word in that place. Ask God to help members of your family to always obey His Word.

FAMILY CREATIONS

Gather stickers, markers, and foam cups. Discuss the importance of learning about and obeying God’s Word. Ask each family member to decorate a “God’s Word for Me” cup. Print each person’s name on his or her cup, and set the cups on a shelf. Keep a jar of pennies nearby. At the end of each day, ask family members to name ways they have learned about or obeyed God’s Word that day. (Examples: Read a Bible verse. Was kind to a friend.) Add a penny to the cups for each way named. At the end of the week, check to see how full the cups have become.
