

♥ FAITH & FAMILY

CARE & SHARE

Talk about the hard times Job went through. What person does your family know who is going through a hard time? Is the person ill or recovering from surgery? Is there a financial need? Does the person have a family problem that is hard to deal with? Brainstorm ways your family can show love to and help the person in need. Decide what is the best way you can help and then make a plan for doing that act of kindness.

TOGETHER TIME!

Read Job 1:1-5. Point out how Job regularly gave offerings and prayed for his children. Talk about why it is important to pray for one another. Have each family member write his or her name on a slip of paper. Put all the papers in a jar labeled "Family Prayer Jar." Encourage everyone to draw out one paper every day in the coming week and pray for the person whose name is on that paper. Be sure the papers are returned to the jar so that all names are available to choose the next day.
