

# Together Time

**Daniel and the Lions' Den:** Daniel 6:1-23, 25, 26

## Family Talk

Before a child comprehends concepts or vocabulary, the child

senses emotion. The name of God can be a name your child associates with warm feelings. Talk openly with your child about God and His teachings. Pray aloud about the blessing of your child as she awakens. Pray for safety as your child plays outside. Thank God for His continued care as you tuck your child into bed at night. Soon your child will sense the importance you place on communicating with God the Father.

Display what it means to build a life around prayer. Talk about how Daniel lived a life of obedience to God, praying every day. The frequent prayers lifted up on your child's behalf can help your child to build a strong prayer life too.

## Bible Memory FUN

*Psalm 119:10*

Find this verse in a family Bible. Pray to God each morning, noon, and night using the words of the Bible verse.

This week, help your child remember:

**We can pray to God.**

## Family Fun...

**Praise Prayer.** Gather as a family and practice reciting the letters of the alphabet. Take turns going down the alphabet, saying for each letter a word that describes God. For example: **A**wesome, **B**eautiful, **C**aring. If some letters become difficult, then make sure the letter is included within the word.

## Daily Talks with God

Use these thoughts at mealtimes, bedtimes, or other times when you pray with your child this week.

Wow, God! You saved Daniel from hungry lions!

I am thankful that I can talk to God.

God, thank You for always being with me.
